

PIN NUMBER

You will need:

Floor space

9 small objects

One light object for throwing

LET'S UNLOCK!

- Place 9 objects on the floor in the same pattern as the keypad on a mobile phone.
- Choose a 6 digit pin number.
- Move to "unlock your phone" by bouncing or striking the ball on each target as quickly as possible.
- Now try and improve your accuracy and time.
- Challenge another family member to beat your time.
