

Water Balloon 'Tennis'

You will need:

- Water balloons (there are 3 in your pack)
- 2 towels
- 2 sticks and some string for your 'net'
- 3 other players
- Outdoor space

Working in pairs, holding a towel stretched between you. One pair launches a filled water balloon over a 'net' The receiving team should try to catch it with their towel, if successful they can launch it back. Take it in turns to launch the next balloon.

Can you think of or invent any other games which could use a water balloon?

A game of Hot Potato using a water balloon could be a great game! Share more ideas with us!
